

# **COVID-19 PREVENTION**

The Maine Athletic Complex (The MAC) has adopted a staged approach to reopening and this document is designed to be a framework of guidelines to be used in planning for a safe return to the field.

We are committed to providing a safe and healthy environment for our teams, clubs and staff. As a result, our standard operating procedures have changed.

### PRE-PROGRAM CHECKLIST

- All participants <u>MUST</u> be symptom free before attending any program. This includes the following symptoms from the Centers for Disease Control and Prevention (CDC):
  - > Fever or chills
  - > Cough
  - > Shortness of breath or difficulty breathing
  - > Fatigue
  - > Muscle or body aches
  - ➤ Headache
  - > New loss of taste or smell
  - > Sore throat
  - ➤ Congestion or runny nose
  - > Nausea or vomiting
  - ➤ Diarrhea
  - ➤ For more information, visit: <u>Symptoms of Coronavirus</u>
- If the participant is sick, or has recently been sick, please **DO NOT ATTEND**.
- All participants must wipe down equipment at home before attending and after participation. Guidance on best practices for wiping down equipment can be found here:
  - https://www.cdc.gov/coronavirus/2019-ncov/community/cleaning-disinfecting-decision-tool.html.
- Perform AT HOME pre-practice self check. Please review them here:
  <a href="https://docs.google.com/document/d/1T7tE">https://docs.google.com/document/d/1T7tE</a> FucmUZooYbTfatBrihd8uNbm7c79p8Ks
  Wqo7TA/edit?usp=sharing
- All participants should be educated and familiar with the need to social distance and what they should do to protect themselves and others:
  - ➤ Wash hands with warm water and soap for 20 seconds
  - ➤ Maintain 6 feet apart from others
  - > Keep hands and body parts to themselves
- Do not attend practice if you have traveled to a non approved travel state within 14 days prior.

## GEAR, EQUIPMENT & SUPPLIES

- For all programs, staff and players <u>must</u> wear facemasks at all times when in the facility.
- All bags/backpacks should be left in cars. Players should put on gear/equipment at car before entering the facility.
- No sharing of any equipment among participants and staff with exception of balls if not touched with hands.
- Each player should bring their own water bottle filled with water with their name on it. Water fountain is currently not in use.
- No food is allowed (except for medical purposes, i.e. diabetes, etc.)
- Players should not touch other player's equipment with bare hands.

## ON SITE REQUIREMENTS & PROCEDURES

- All spectators including parents <u>MUST</u> remain outside of the facility or in vehicles during programs. No spectators will be allowed in the building at this time.
- Participants should bring their own hand sanitizer to use before and after participation.
- Maximum capacity in each bathroom is 2 people. Please wait outside the bathroom door if there are two people in the bathroom.
- Programs must have a maximum of 50 people indoors (includes players + staff). No spectators allowed at sessions.
- Program directors should take the participant's temperature upon arrival at check-in before entering the facility. It is also encouraged that program directors ask participants daily Screening Questionnaire prior to practice.
- Participants should arrive dressed and ready to train for the program (including full equipment) No personal bags are allowed inside the facility.
- Facility has two large commercial sized exhaust fans on the back wall of the building that will be used to help air circulation. Four entryways/doors may be opened to enhance air circulation as well depending on weather.

### GENERAL GUIDANCE FOR PLAYERS & STAFF

- Players and staff should be Maine residents or have passed the current quarantine guidelines.
- Avoid touching your face, eyes or mouth.
- All practices should be non contact (no shaking hands, high 5's, fist bumps, huddles, etc.)
- Practice good respiratory etiquette including coughing/sneezing into your elbow or a tissue instead of your hands.

## **COVID-19 ACTION PLAN**

• The Action plan will be activated should someone show symptoms of COVID or test positive for COVID.

2

- If any player shows symptoms during practice, have them leave the building immediately.
- Local and state health officials will be notified immediately of a possible case and The MAC will work with them regarding appropriate communication with families while maintaining confidentiality as required by the Americans with Disabilities Act (ADA.)
- Sick participants and families shall not return until they have met CDC criteria to discontinue home isolation. They should be evaluated by a medical provider and prior to returning MUST obtain a physician's note allowing for their safe return to practice.
- Inform those exposed to a person with COVID-19 to stay home and self-monitor for symptoms and follow CDC guidance if symptoms develop.
- Inform MAC Co-Owners, Brett: 315-430-8414 or Heidi: 207-660-5848.
